Projects

Gadget Hub

E- Commerce Website

Developed and designed an e-commerce website, 'Gadget Hub,' utilizing HTML, CSS, PHP, and MySQL. The project involved creating user-friendly interfaces, implementing secure database management, and integrating dynamic features for seamless online shopping experiences.

Portfolio

Samiksha Ghimire portfolio

Built a personal portfolio website using HTML, CSS, and JavaScript, showcasing my projects and skills. The portfolio features a responsive design, interactive elements, and optimized performance for a seamless user experience.

Courses

2022/08 – 2022/10

Kathmandu, Nepal

Frontend Development Course

NextStep Infotech Pvt. Ltd.

I completed a 3-month course on frontend development at NextStep Infotech Pvt. Ltd., where I gained hands-on experience with HTML, CSS, JavaScript, and various frontend frameworks. This course helped me build a strong foundation in creating responsive and user-friendly web interfaces.
